

Transformer with Zigbee controller

| Technical specifications | |
|--|--|
| Input voltage | 230 Volt AC |
| Output Voltage | 12 Volt DC |
| Wattage | 15 Watt |
| Dimensions | 102 x 35 x 16 mm |
| Type | 2000 mm lead with CEE plug 100 mm lead with LED distributor 12-fold |
| Installation | with screws |
| Remarks | voice control with Alexa Echo+ or other Zigbee controllers |
| Intended for the following light source(s) | LED |
| Efficiency in full-load | $\geq 82 \%$ |
| No-load power | < 0.5 Watt |
| Dimmable | no |
| Weight | 140 gram |
| Replaceability | by qualified persons |
| Waste disposal | through suitable disposal site |
