

Transformer with Zigbee controller

Technical specifications	
Input voltage	230 Volt AC
Output Voltage	12 Volt DC
Wattage	15 Watt
Dimensions	102 x 35 x 16 mm
Type	2000 mm lead with CEE plug 100 mm lead with LED distributor 12-fold
Installation	with screws
Remarks	voice control with Alexa Echo+ or other Zigbee controllers
Intended for the following light source(s)	LED
Efficiency in full-load	$\geq 82 \%$
No-load power	< 0.5 Watt
Dimmable	no
Weight	140 gram
Replaceability	by qualified persons
Waste disposal	through suitable disposal site
